Pump Repair & Remanufacture

Evaluate & Repair

- Send your pump to CSI for evaluation
- CSI will disassemble the pump and prepare a quote for the recommended repairs
- All repaired gear cases will include a powder coat finish
- Mechanical run test is performed prior to shipment
- New warranty on replacement parts
- Evaluation fee waived if the repair is completed by CSI

Complete Remanufacture

- One year manufacturer's warranty on all remanufactured pumps
- Average savings of 20-30% over the cost of a new pump
- Remanufacture options:
 - U1/ZP1/TRA10 models:** Up to four standard rebuilds (0.02", 0.04", 0.06", and 0.08" oversized)
 - U2/ZP2/TRA20 models:** Up to three standard rebuilds (0.02", 0.04", and 0.06" oversized)
- Housing and cover machined to accommodate oversized rotors
- Powder coat finish on all non-stainless gear cases
- Hydraulic performance test before shipment
- Evaluation fee waived if the remanufacture is completed by CSI
